VISION

Elsabe Briers  
(August 2012)

I saw the Prophetic Word being "woven" throughout the land along rivers and mountain ranges - winding through into every corner - the airways being filled with God's Word, erasing the words of the enemy. Prophetic unity will come and this "voice/trumpet" will blow from the Cape right through to Cairo, then on to Jerusalem; Cape Town being the Keyhole and the Word the key to unlock the treasures of God's promises for the continent of Africa and then beyond.

## “I am stirring up and raising up a **PROPHETIC FORCE** in this land.”

“The Prophetic voices will melt into MY VOICE to reverberate over this land and let the sound of heaven ring into every corner. The people will hear My VOICE and it will blot out the voice of the enemy – the voice of the current news, the voice of anger and violence, the voice of murder and rape and bloodshed. My Word will reform the land. My Voice will bring fresh streams of living water, giving hope and life. My voice will reshape the hearts of kings in every sphere and the forces of violence will subside and bow under my sovereign rule and reign, says the King of kings. I am the Lord and there is no other. I have made this land for My glory and now is the time for South Africa to arise from the ashes, from the hand of oppression – to rise up under My hand, under My love, under My care, says the Lord. But I need the Prophets to arise and be My voice in the land – in one - in The One, IN ME! As they yield to Me and to the fresh wind of My Spirit, they will be the instrument in My hand, united as

STREAMS OF THE

a strong Prophetic force to release My Word and My will WILL manifest in this land.”

### **A TRUMPET IS BLOWING!**

“There is a trumpet blowing and it is a rallying cry for those that are ready and those that are attuned to what the Spirit of God is saying and doing. Not everybody is meant to hear this trumpet blowing as it is calling out and rallying a certain group of people that have been prepared for this time and this season to get things ready so that others can come along and do their part. A stronger emphasis on prayer shall come forth as a preparation of things, getting the scene ready for what God is going to do and for the people called to come forth in their time and season which is approaching. Many are the hearts of those that are being prepared right now for the season that is about to come upon us for such an hour as now. The divine linking has been set in motion and the awakening is coming upon us to awaken a sleeping church, a sleeping bride to come forth and find her place in the body of Christ for the work that is about to be released unto and into the earth.”

*Anthony D'Angelo*

The Prophetic eye “sees” God’s Word in visions, dreams, paintings, drama, nature and other “visuals” as the Holy Spirit quickens it to the spirit of man.

*“Write the vision, and make it plain upon tables, that he may run that readeth it”.*  
*Hab. 2:2*

Kathleen De La Hunt is married to Neill and they have two daughters and four, almost five grand children. At present Neill De La Hunt is the senior pastor of The Oasis Church and Oasis Christian Academy and Kathy has been recognized in her prophetic capacity for the last 15 years and heads up a prophetic team, running regular prophetic training times since 2007. Her greatest desire is to see a networking of prophets and prophetic voices coming together, with one heart, one voice, one Spirit, one Lord, one God out of every congregation, denomination, culture and gender to form a powerful prophetic platform that can prophesy, petition and declare in to the heavenlies, so ushering in the will and plans of the Kingdom of Heaven, firstly in South Africa and then the nations.

**VISION for CAPE TOWN**  
**November 2012**

Whilst praying for Cape Town and the Prophetic conference,

I was taken up over Cape Town and I saw Table Mountain with blood flowing off it – felt it was the blood of sacrifices that had been made over many generations. I then saw the Houses of Parliament and above them was a black /grey cloud shaking. It was full of violence, spears, weapons and words being spoken that release violence and chaos all over our country. (It was as if the cloud was full of physical weapons and words all moving – something like a balloon full of water – and evil was being released- power given to the enemy to steal, kill and destroy).

Then I saw the churches in Cape Town, many many Churches - all with fortresses built around them.

The walls were high and they were built as a protection against each other – Churches so that were hurting so much, that they see each other as the enemy.

They were all very busy, involved in their call – doing their ‘little’ thing. But they were not being very effective in the bigger scheme of things. They were also not prepared to go beyond their walls, to link arms and to join vision so accomplishing a much bigger thing – building the Kingdom of Heaven together.

I ask God what would change this situation and I felt Him say

- **Recognition** of each other’s part in building the wall
- **Honouring** the Fathers and those who have given all for the sake of the gospel
- **Love** – ushering Abba Father’s love into every situation

I felt Him say the churches needed to look and recognize what each one had been called to do and to see what they had already accomplished, not just in this generation but in every generation that has been.

He is the God of Abraham, Isaac and Jacob and it was vital to recognize the generations of men and women of every colour, who had gone before, to fulfill the call of the Father.

Then there needed to be an - **“Honouring the fathers”** for what they had established and for the flavour each of them had brought into the City.

-**Honouring of the intercessors** that have prayed for the City, over many generations

-**Honouring each other** for being His children that have been called to work together in this time.

There was a need to reach out with Abba Father’s Love – to see each other as sons of God and love each other deeply with a love that can only come straight from His heart.

As this started happening – I saw the fortress walls beginning to crumble and fall down and colours mixed with aromas started flowing out of each church. Each church was reflecting its own colour. There was red, yellow, orange, green, blue, indigo and purple. As the colours flowed alongside each other they created **a magnificent rainbow**. The rainbow lifted up over Cape Town and covered the city.

As it covered the Parliament Buildings I say it wipe away the dark cloud releasing the fullness of light over the Buildings. It then lifted up and covered Table Mountain and as it did this I saw the blood and blood stains being washed away. Then as I watched, it lifted up into the air from Cape Town and bow over the whole of Africa and then arced down to land in Egypt.

As the rainbow of God touched down in Egypt, I sensed the power of the blood of Jesus pour down and covered the whole of Africa washing it, the continent. This resulted in God’s Glory cloud rising up off Africa.

As I watched this happen, God

## "GLORY WAVES ARE COMING"

*Anthony D'Angelo*

"The Lord says He is going to do a new thing in South Africa. The enemy thinks he has things under his control, but I have yet to release My plans except to those that I can trust and to those that will faithfully pray in the plan of God.

There are many facets to this plan and it will come in waves – waves of My glory, which shall be a realm in which I operate out of and from. The wave of glory shall come and in that place and in that time shall the earth be impacted by the glory of God.

## PROPHETIC DECLARATIONS

"You shall declare a thing and it shall be established" - Job 22:28

When we hear the Word of the Lord, we need to co-operate with the Holy Spirit in agreement, then speak it forth in PROPHETIC DECLARATIONS as ONE VOICE - IN HIM!

As we call forth these things which are not yet, just as though it were (Rom. 4:17) God will perform His Word and the seemingly "impossible" will be manifested and established for God's glory!

WE WILL DECLARE THE WORD OF THE LORD INTO THE AIRWAYS  
AND HIS WORD SHALL NOT RETURN TO HIM VOID BUT WILL PERFORM WHAT IT WAS SENT FOR! (IS. 55:11)

reminded me of the Ark of the covenant and the two cherubim. The arc formed between their wings protected the glory of God that lifted off the Ark. I felt in the same way the act of obedience of the Churches in Cape Town would ignite a supernatural power release of glory and holiness that would ultimately affect the whole of Africa.

I felt that the deepest darkest Africa was going to experience a super natural release of God's power and glory resulting in it becoming the continent of light to the rest of the world. Africa would be sending people to the north, south, east and west that will be bringing in a mighty harvest- the harvest of the multitudes in the valley of decision making.

This is the hour for Cape Town to hear the voice of the Lord and to rise up and be united with one heart, one mind, one voice, one Spirit, one King, one God for the sake of the Kingdom of Heaven.

**BE READY TO  
CATCH THE  
WIND OF THE  
SPIRIT**

By  
Wilna van der  
Merwe

***Isaiah 33:23 "Your rigging hangs loose. The mast is not held secure, the sail is not spread. Then an abundance of spoils will be divided and even the lame will carry off plunder."***

The function of rigging on a ship is to hold up the mast, moving the sails to catch the wind, coordinating every part necessary to catch the full impact of the wind, to move forward to the right destination.

The background to this verse: The Assyrian army was strong and aggressive. BUT they under-estimated the Lord God of Israel. They are likened to a ship whose rigging hangs loose. Almighty, God Jehovah was working out His Word and Promise over Jerusalem and in His might they triumphed over the Assyrian army. Like a well-prepared ship, our lives must be ready to receive and accommodate the purpose and move of God.

To be fully connected to God and His purpose is vital for this season. Some in the body of Christ have a sense of being stuck. There is much activity around them. Others seem blessed. Intimacy with Jesus has been compromised. There is a sense of lost opportunities, missed deadlines, delays, detours, frustrations, discouragement, not seeing increase, difficulty in hearing God. God is showing me that there has been a shift from living out of total grace to a place of thinking we are not enough. There are modern day Pharisees - leaders whipping their people to do more and to be more. Professional Christians are emerging, lean in spirit, no sparkle in their eyes - tired, worn out with not experiencing much of the Shalom of God.

Arise and awake church to the marvelous Grace and mercy of Jesus. We are fully accepted in Jesus. His blood cries out our freedom from the mercy seat. We are highly favoured and perfectly loved.

continue on page 9

What a person asks shall be granted in alignment with my Word.

What shall be different is that when the glory comes there shall be a quickening to pray and prayer during the times of glory shall carry increased weight and this prayer shall be answered more quickly.

There is a dimension of prayer that shall spring forth in the glory of God that most have never seen. It shall not be burdensome or laborious, but shall be spontaneous and whatever I put upon the heart of the pray-er shall come to pass, even speedily. It is a new realm that is coming upon the earth in ever-increasing waves - waves of my glory or glory-waves. You shall seek to enter in and when you do the presence of God is available for everything. This is the future of the church, to live and walk in the glory of God for in that place nothing can stop what I am doing."

*Anthony D'Angelo*

This Prophetic painting by Jenny Rademeyer of Cape Town beautifully portrays the tsunami wave of God's glory that is coming over South Africa. In the wave is written, "In the beginning was the Word" .

*This is an expression of His power and glory and the coming overwhelming wave of His presence. I believe we are moving (in Cape Town and South Africa) into a time of, as yet unseen, revival. The turquoise of the wave speaks of a newness that we are moving into, of healings and revelation that we have not yet fully experienced.*

*Jenny Rademeyer*

*"For the earth shall be filled with the knowledge of the glory of the LORD, as the waters cover the sea."*

# VISION

OF

## SOUTHERN AFRICA

A white translucent outline of the continent of the lower half of Africa, like a white continent, glowing, appeared before my eyes. It was so beautiful to behold, so I stared at it and it began to move.

Suddenly, it was as if the hand of God took this white GLORY region of southern Africa and lifted it up higher and it turned into a

GLORIOUS  
TRANSLUCENT  
WHITE DOVE

hovering over the entire region. I can not express the BEAUTY of this! The dove was very BIG and the translucent, white, glowing Light never dimmed. It was as though this lower continent had a special covering or GLORY, complete border to border! Totally in His hands!

COME

US  
DECLARE  
THE  
WORD  
TOGETHER  
IN  
UNITY

South Africa  
shall be a  
nation of Light!

*Anthony D'Angelo*

“South Africa shall be a nation of light. I will pour out my Spirit upon all flesh. I am preparing South Africa to be a sending nation. It will be divinely linked throughout Africa. Racial conquest shall be a thing of the past – racial iniquity. A blending of the colours shall come forth. South Africa first sent Evangelists, but now it will send revelation – Teachers, Prophets and order – the Apostolic. The Love of God shall be primary, with understanding. South Africa is being prepared to launch a new wave of My Spirit. The time has come for the fullness of things. South Africa has been a forerunner of things in the past and shall pick up the mantle again. The torch is being passed to it again. I will pour out my Spirit upon all flesh”.

This prophecy can be declared point by point as it was given.

“I will pour out My Spirit on all flesh. Your sons and your daughters shall prophesy, your old men shall dream dreams, your young men shall see visions.”

Joel 2:28

Stop fighting the lies of the enemy. Stir up the wonderment within you of being fully connected to God. Realize the urgency of time. There are lives, like a ship bobbing on the water, self absorbed, self pleasing, stuck in "the way it was"

Come to Jesus. Bow low through that doorway. As you pass through, unconfessed sin is dealt with, forgiveness flows. Go back to that moment when you met Jesus for the first time. Where it all started. That glorious encounter with Jesus. We see in Mathew 18. Jesus says Follow Me. We must be ready to forsake what hinders our walk with God, ever moving forward with Jesus.

Gal.3 1-3: You foolish Galatians, who has bewitched you? Are you so foolish, having begun in the Spirit, are you now being made perfect by the flesh?

Desire the Word. Devour it, believe it, declare it. Turn your entire being to Jesus. Hunger is birthed out of His presence. Oh God, steer our hearts like waterways. Throw off the baggage. God is blowing afresh over you, your family, ministry, the work of your hands.

Prepare fully. Pull the ropes tightly in your family. Take up your God given authority in your family. Put things right Receive a vision for your family. In the church walk in honour and love. Leaders, God is dressing you in a new mantle to function with honour and setting others free to follow Jesus I see heavy mantles discarded to receive what Jesus places on you.

In conclusion. We go back to Isaiah 33:23 ...the abundance of spoil will be divided and even the lame will carry off plunder. There is a grace and anointing to take back and redeem what was lost and stolen. Arise with new hope. Even if you feel weak and lame from the battles of the past season, stand up. Restoration for your family. Broken relationships....reach out in the love of Jesus. Declare His plans.

**READY, STEADY, The breath of God blows powerfully over us as God declares His word over you ..... Your ship is moving.....GO!**

## VISION AND WORD received by Pastor Amaka Abe (Nigeria) – April 2011

I spent my time praying one early morning while travelling in Nigeria. Suddenly I was in the spirit and I heard the voice of the Holy Spirit.

“Write down what you are about to hear.”

Suddenly I saw the globe and the continent of Africa was in front of me. I saw myself walking from the South to the North.

Everywhere my feet fell, I saw rings similar as when a stone is thrown into a pond. These rings went from South Africa all over the continent of Africa, the sea and to the other parts of the world. I asked the Spirit what the meaning of this was and this is what the Holy Spirit told me:

“The rings you see are the healing, saving and miracle power that will start from the Southern tip of Africa. This will be a mighty outpouring of my Spirit and many will come running into my Kingdom. AFRICA WILL BE SAVED!! Many people from all over the world will come to experience the power of God. You will see things you have never seen before. THIS IS NOT THE SO CALLED END TIME MOVE, but this is a move where sons of God will raise up and take their rightful place.”

As I moved to the North, these rings just increased in magnitude and as I stepped into Israel, I turned around and looked back to Africa. I stood amazed as I saw the cross over Africa. The foot of the cross grounded in South Africa, the left and right arms on the horn of Africa and on the Western coast of Africa and the top of the cross on the North edge. Suddenly the Spirit spoke to me again.....“My time is now, where I will make My Word come true, Africa will be saved and this Gospel of the Kingdom of God will go from South Africa to the rest of the world. From now on Africa will evangelize the world, and this initiative I will start from South Africa. The best time in the Spirit is on your doorstep South Africa, now you will see My power and love in action. In the darkest moment My light will shine and no darkness will quench it. I'm raising sons who will stand on My Word and will proclaim what I say. Do not let your heart be troubled, don't flee South Africa; God will bring the knowledge back to South Africa. A white cloud (Gods Glory) is rising from the South and the Glory of the Lord will cover the earth.”

*Continue in next column*

About 3 months later, one morning in a church service, I was caught up in the Spirit again and God showed me another vision. This was strange because I have NEVER experience such visions before.

This is the vision: I was sitting in an airplane and had a window seat. We were flying very high, as if we were in outer space. As I looked out of the window, suddenly I saw a giant cross. Behind the cross I saw the globe and again the continent of Africa was facing me. Suddenly the cross fell down

and as I watched it, I saw it was on its way to the earth. The cross went

straight to the Southern tip of Africa and it pegged itself in the Southern tip of Africa. Again I saw the rings as when you throw a stone into the water. I heard the same voice saying,

“That is My healing and miracle power that will flow from South Africa to the rest of the world. It will start there. I have a plan and no one will stop Me”.

Suddenly I saw the Southern tip of Africa becoming blood red and it moved upwards into Angola, DRC, Nigeria till it covered the whole of Africa.

Again I heard the voice of the Spirit, “I will move mightily and soon you will taste My might and see what I have in store for My children. It is time for the Spirit-filled to come together as one. Don't look to colour, for this move is not prejudice. Change your minds and seek Me with all of your hearts. It is time to leave your petty arguments and seek My face”, says the Lord, “for I have a plan. I am about to bless My people abundantly more than what they can think. Supernaturally you will experience My provision. Be faithful with what I give and I will open for you a window of heaven”.

This word must reach each and every South African. Send it to the South Africans overseas. Be sure, God has chosen this nation to show the world what and who He is. Send this to your friend, pray together and help us as South Africans to call Gods Word into action. Families, call on the Lord, seek His face and He will heal your houses, your businesses, your government and your churches and you will live in peace and no harm will come to you.

He knows the plans He has for us, plans of a great future and of a good hope. In Jesus Name, AMEN.

# TRUE WORSHIP IS THE KEY to revelation

*Elsabe Briers*

As we worship the Lord in spirit and in truth, ascending into the secret place of our Father's heart, experiencing His manifest Presence, He releases His Rhema Word, the "NOW" Word into our spirit man or "He shows us things to come". In this timeless realm of the glory of God, we come in contact with the power of acceleration. This is where we have to co-operate with Him to pull that Word or vision from the glory realm into the natural realm by DECLARING it over the situations and people that He brings into our consciousness. We will be astounded at the speed at which that Word will manifest when it is coupled with the "NOW FAITH". Yes, we will SEE the SUBSTANCE in the natural before our eyes as we SEE it by faith in the unseen by the creative anointing on His Word, which we HEARD in the glory realm and speak forth.

As our faith is growing, and we get saturated in His Presence (in worship, prayer, the Word), the Lord is challenging us to believe even for instant change to be brought forth by what we release in the glory according to what we see Him doing and hear Him saying. We are going to see glorious miracles take place in situations which we "enter into" (even by transportation) in the glory realm, becoming true co-workers with Holy Spirit and then hearing about the manifestations of His creative Word-power afterwards. The question is, "Can He trust us to give Him the glory?"

*Continue on page 12*

## Prophetic Declarations

When we "declare" our own good ideas you might liken it to wishful thinking for there is no power behind it, therefore it will often be subject to change, because it lacks true authority and originates from self. It will be a multiplying of words without knowledge, which brings disappointment. Many people in the body of Christ have been hurt by "naming and claiming" out of the flesh and consequently are wary of making declarations.

Creative power for manifestation of God's will and promises is in the Word of God. The secret therefore lies in hearing God's voice and speaking His Word only, thus bringing forth Prophetic declarations with the surety of God's Almighty power backing it up, seeing your future and even that of a nation in the NOW-faith!

When God pours out His Spirit upon us through a Prophetic Word, a vision or a dream, He makes His will known to us in no uncertain terms. This happens when we seek His face in intimacy of worship until His glory comes. When His glory Presence washes over us, we will hear His voice when we quietly wait on Him UNTIL...! He does nothing without making His secrets known to the Prophets. That is why we need to heed the Prophetic Word, because the Spirit of Prophecy is the testimony of Jesus and His Word does not lie. His Word has creative power and by His Word He framed the world. When we add our faith in prayer and declaration of His Word by agreement with His mighty power to do those things which seem impossible to us, we glorify Him and His Word will not return to Him void, but be manifested for His glory.

*Continue on page 12 second column*

**“DEFINE”**

**According to Webster’s Dictionary: “To state or describe exactly the nature, scope and meaning of....”**

We each have a unique purpose, call and definite function in the body of Christ, like being an ear or an eye, etc. We cannot be everything at the same time, but by the Holy Spirit we can function in different ways at different times for different purposes, always in sync with the rest of the body. Therefore we need to be very sensitive to the unction of the Holy Spirit to be in step and in tune with Him.

God wants us to let Him “DEFINE” our calling, purpose, mantles and assignments by coming into agreement with His PROPHETIC WORDS over our lives for His purposes in our cities, regions and countries – now even continents - calling forth those things that are not (yet) just as though they were.

We have to know our true identity in Christ and with it His power to bring about His plans and purposes for the fulfillment of our destiny in Him and to finish those Kingdom “works” which He has prepared for us from before the foundation of the world to walk in for His glory. Therefore, when we are in one accord with the Lord about His “defining” of our call for this hour, we are ready to take up our mantles and mandates to fulfill His desires for His Kingdom.

God wants a Bride that will seek His face continually, walking in intimate counsel with the Most High to simply do what we see our Father is doing and say what we hear Him saying, co-working with the Holy Spirit in His end-time purposes to usher in His glory over all the earth, being “ONE VOICE” Hallelujah!

*“So shall My word be that goeth forth out of My mouth: it shall not return unto Me void, but it shall accomplish that which I please and it shall prosper in the thing whereto I sent it.” - Is. 55:11*

*“Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear.” - Heb.11: 3*

Some people have the notion that their prayers are declarations, but prayer and intercession is needed to position ourselves in worship to hear what God says in order to declare His Word and on the other hand to pray and praise Him prophetically for the Word that He already has released through His Prophets. That is why intercession is intertwined with the prophetic utterance. Amen!

Another important factor about prophetic declarations, is that it has to be consistent with no mixture of doubt and unbelief. If God said it, SO shall it be! He is not a man that He should lie and we cannot be in agreement with His Word half-heartedly. We can also not reiterate the negative declarations of the prince of this world as received through the media, but God’s Word has to take pre-eminence and in the “ONE VOICE” it will obliterate the voices of darkness.

When our minds get renewed with the supernatural unlimited power of the living God, we can step out in faith on His Word and we WILL see it come to pass when we call it forth, seeing with the eyes of faith into the “now” of the future, as though it already is! (Rom.4:17).

As the Bride is awakening to come into “oneness” with Her Beloved, His glory carriers will be an unstoppable army of worshippers as a brother mentioned, decreeing 20/20 vision according to II Chron. 20:20 - ***“On the way Jehoshaphat stopped and said, 'Listen to me, all you people of Judah and Jerusalem! Believe in the Lord your God, and you will be able to stand firm. Believe in His prophets, and you will succeed.” Amen.***

## THE KEY TO BRING BREAKTHROUGH is UNITY in ONE VOICE.

Those who hear the trumpet call for the Bride of Christ to arise in unity of like-mindedness, having the same love, being of one accord, of one mind, will come forth as the ONE VOICE, reiterating the SOUND OF HEAVEN over South Africa that will spread over the whole continent and beyond to usher in the glory of the Lord!

WE DECLARE THAT THIS PROPHETIC FORCE WILL RISE NOW AS ONE VOICE, ONE SOUND THE SOUND OF HEAVEN!

SOUTH AFRICA WILL BE TRANSFORMED BY THE GLORY OF GOD. HALLELUJAH!

UNITY IN ONE VOICE

“Behold, How good and how pleasant it is for brethren to dwell together in unity!....”

Ps.133
