"And the LORD answered me, and said, Write the vision, and make it plain upon tables, that he may run that readeth it.

For the vision is yet for an appointed time, but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry."

"YOUNG PROPHETIC VOICES ARE COMING FORTH!"

▫ **ANTHONY D'ANGELO**

"The young prophetic voices are coming! They shall come upon the scene and the level of accuracy shall challenge those that have walked in the prophetic for some time. The essence of their message at times will challenge those already in a prophetic ministry role. God is doing a new thing and raising the standard for those that call themselves to be prophetic. A new wine of accuracy and accountability to the Lord is coming forth. God will need those walking in maturity to help guide and lead those coming forth along this path."

Since being saved in 1988 Anthony D'Angelo spent 10 years doing street evangelism, miracle services, local, regional and international radio since 1992 off and on, some television and church ministry in America. Anthony has been on 24 missionary trips to different nations of the world and his international emphasis has been miracle crusades, signs and wonders seminars, pastor-leader conferences, miracle services, prophetic ministry and providing Bible School materials, clothing and such to those in ministry. His desire is to see the lost saved and to empower them to do the works of Jesus.

"THE ESTHER CALL"

Esther 2

I believe the Church of Jesus, those who truly know Him, are being led through the call of Esther.

I believe that the Bride of Christ, just like Esther, has been going through a time of being separated and drawn closer to God like never before. It has been a time of separation and preparation for that which is to come. In 2008 the Lord spoke and said He was calling His Church from all over the World, out of every tribe, every nation, every denomination, every colour and every gender to rise up with one heart, one mind, one spirit.

Soaking in MYRRH

During the last few years, God has taken those that He has separated unto Himself, through a season of soaking in myrrh, a season of dying to self.

It was a season of being stripped of all that was not of Him. It was a season of much heart searching, vulnerability, fear, doubt, insecurity and weeping before the Lord as He stripped His people of that which was of self

Kathleen De La Hunt is married to Neill. They have two daughters and four, almost five grand children. At present Neill De La Hunt is the senior pastor of The Oasis Church and Oasis Christian Academy and Kathy has been recognized in her prophetic capacity for the last 15 years and heads up a prophetic team, running regular prophetic training times since 2007. Her greatest desire is to see a networking of prophets and prophetic voices coming together, with one heart, one voice, one Spirit, one Lord, one God out of every congregation, denomination, culture and gender to form a powerful prophetic platform that can prophesy, petition and declare in to the heavenlies, so ushering in the will and plans of the Kingdom of Heaven, firstly in South Africa and then the nations.

ISAIAH 64:4

"For since the beginning of the world men have not heard, nor perceived by the ear, neither hath the eye seen, O God, beside thee, what He hath prepared for him that waiteth for Him."

"Mount Sinai was covered with smoke because the Lord descended on it in fire. The smoke billowed up from it like smoke from a furnace, the whole mountain trembled violently.

I then saw the words, "Holiness unto the Lord" engraved on a gold plate worn by the high priest on his forehead. I saw that God is wanting to redeem the mountain from being an occult altar to a priestly anointing. I felt that I needed to do a painting of it so that the decree would go out over Cape Town.

and of man. Everything was shaken. Everything people had relied on, stood for and believed in was shaken. Pride, arrogance, religious hearts and false doctrines were exposed. Relationships, finances and health were all shaken as He revealed to each person, that which was in their heart.

During this time of shaking, of soaking in myrrh, many things surfaced that brought confusion and chaos to the body and because of this His Bride was drawn into the next season.

The season of soaking in His perfumes.

The season of desperately seeking the heart of the Father. A season desiring to hear the Father's voice in a deeper place, a place of greater intimacy and being drawing closer as they spend many hours in His presence, seeking Him as they tried to 'find' themselves and establish His truths deep within their own hearts again. This season of soaking in His perfume resulted in a greater revelation of the Father's love, of hearing his heart beat and listening to His voice, of being saturated in the Holy Spirit, till His Church smelt like Him and His voice was the loudest in their ear.

The season of great treasure and fruitfulness

I believe the Church is now in the season of much fruitfulness, a season of her expectation being met and answered in incredible ways.

As I was praying about 2013 and what God had for His church this year, I suddenly became aware of the room smelling of freshly cut figs and the next moment I could taste the figs. It was a wonderful sensation and I asked God what this meant. I felt Him say His Church was going into a season of eating figs – the season of partaking in the fruit of that which was sown before. I felt God say that whatever the Bride had expectation for in this season, she will see manifest.

VISION

Elsabe Briers
(August 2012)

I saw the Prophetic Word being "woven" throughout the land along rivers and mountain ranges - winding through into every corner - the airways being filled with God's Word, erasing the words of the enemy.

Prophetic unity will come and this "voice/trumpet" will blow from the Cape right through to Cairo, then on to Jerusalem; Cape Town being the Keyhole and the Word the key to unlock the treasures of God's promises for the continent of Africa and then beyond.

GLORY

"For me the glory of God speaks of His presence, His power, His grace, His promises and mostly his love. To experience His glory requires us to enter into His presence through thanksgiving, praise and worship".

ACCELERATION THROUGH PROPHETIC DECLARATIONS

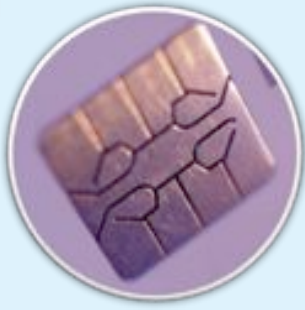

Elsabe Briers

In my recent encounters with the Lord He has repeatedly been prompting me to creatively co-operate with Him in the glory zone by speaking out (declaring) that which He drops into my spirit in His Presence. This can be in the form of visions, revelation, dream visions, counsel, Prophetic Word, Words of knowledge, etc. Then WRITE IT DOWN and every time you see it, REJOICE in His faithfulness.

THE RHEMA WORD CAN ALSO BE PROPHETICALLY "DECLARED" or "PUBLISHED" in the form of various ART EXPRESSIONS as above.

Visual pictures speak 700 times louder than words and is "imprinted" on the sub-conscious mind. Therefore we should value PROPHETIC ART also as God's Word!

“SONS OF LIGHT BELONGING TO THE DAY AND KNOWING WHAT DAY IT IS”

- Jacqui Schmidt

“But of the times and the seasons, brethren, ye have no need that I write unto you.

For yourselves know perfectly that the day of the Lord so cometh as a thief in the night.

3 For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape.

4 But ye, brethren, are not in darkness, that that day should overtake you as a thief.

5 Ye are all the children of light, and the children of the day: we are not of the night, nor of darkness.

6 Therefore let us not sleep, as do others; but let us watch and be sober.

7 For they that sleep sleep in the night; and they that be drunken are drunken in the night.

8 But let us, who are of the day, be sober, putting on the breastplate of faith and love; and for an helmet, the hope of salvation.”

Verse 4 **“But you, brothers, are not in darkness so that this day should surprise you like a thief. You are all sons of the light and sons of the day.** We do not belong to the night or to the darkness.”

As His sons the day of the Lord should not catch us out. As His sons we should know what time or season it is in the spirit.

Day speaks of having an illuminated understanding- It speaks of living with Him and so having revelation and knowledge of God.

Night speaks of having a darkened understanding- not knowing the Holy Spirit who reveals truth.

As Sons of light we should never be taken by surprise as to what day it is!

We are exhorted in verse 6 to keep **awake, alert** and **self controlled**. All soldiers on duty are trained and disciplined to be awake, alert, and self controlled.

A BURNING CANDLE

This vision of Joseph Reinhardt Gschwend who was a great missionary from Switzerland who came to work in Africa was had in the 1930's and he later wrote the book called "A burning Candle" which was published in about 1937/38.

Reinhardt believed that God was going to bring revival throughout Africa through the fire of the word of God, in the last days. He did everything he knew to spread the message of the gospel with his printing and tract distribution ministry. He was said to have published more literature in African languages than any other person and at present they publish tracts in 500 tribal languages

Reinhardt had a vision of the map in which he saw a candle burning a map of Africa above it. He saw the flame spread from the southern tip of Africa all the way up the continent, yet the map was not destroyed. Many people have since had a similar vision over the years about revival starting in Cape Town and going into the entire world

***“The Esther Call” - continued
from page 6***

But just like Esther, it is vital that her desire is for that which will please the King, not for her own pleasure and that she draws deeply from the guidance of the Holy Spirit in this time.

The other young women took treasures that would please them, but Esther, under the guidance of Hegai, only asked for that which would please the King and won favour not only with the King, but with all.

This is a season of much joy, laughter, reward and great fruitfulness for those who have sown in tears for they will reap with joy.

Psalm 126 v 5 - 6

Those who sow with tears will reap with songs of joy.

Those who go out weeping, carrying seed to sow, will return with songs of joy, carrying sheaves with them.

But in this season of receiving treasure, choose carefully, for that which is asked for, the choices that are made in this season, will open (or shut- as in the case of the wrong choices) the door into the next season.

Choose the treasure that will please Him. His heartbeat is for his Kingdom and His treasure is people, the lost, salvations, healings, miracles, setting the captives free and reaching the nations, for where there is expectation there will be fruit.

Choose carefully for this season will open the door to the next season, which will be the season of being positioned next to kings. The season of greater authority and power as His people, like Esther, are positioned in places of great influence for a time such as this

FOR HIS TIME AS THIS

God is going to open doors that seem to be impossible for people to walk through – doors of great influence, great authority, great profile. He is going to position His Church strategically in the season that lies ahead. I feel that everything the Father has been doing through the Holy Spirit has been to prepare His Church to take their place in the next season, where they will be positioned to influence kings in a time when the enemy has planned to destroy and wipe out the people of God and take full control.

This will not be a time to hold back, but to give all, at the risk of losing their very lives. It will be a time of needing to operate out of a place of great humility, much fasting, much prayer, much wisdom, much insight, strategic planning and daily hearing the heart of God as nothing of the old will work in the new season. A time of not being shaken no matter what the circumstances and the report of the enemy. For His Church has been well prepared for the season to come and as she rises up and takes her royal position, victory will belong to the Lord and the plans and the ploy of the evil one will be defeated.

I believe God is calling His Church to have eyes to see, ears to hear and to know what is coming and to be prepared like never before.

"SONS OF LIGHT"

continued from page 8

So do we know what time it is?

As sons living in His presence, we should be aware of God's timing, God's seasons and what God wants us to do.

Daniel 2:21-22: "And he changes the times and the seasons: he removes kings, and sets up kings: he gives wisdom unto the wise, and knowledge to them that know (are intimate with) understanding: He reveals the deep and secret things: he knows what is in the darkness, and the light dwells with him."

1 Chron: 12: 32 "Sons of Issachar had understanding of the times and knew what Israel ought to do!"

We as Sons of light and of the day need to be shedding His light in every area that we have influence. God wants to reveal the deep and secret things to us so that we can shed light on problems and solve them. And we need to be as the sons of Issachar and be advising the Governments as to what is the wisest course of action.

Jacqui Schmidt lives in Pinelands Cape Town.

She works full time in New Life Vineyard Christian Fellowship with her husband Carl.

OUR RELATIONSHIP WITH TIME

It is time to be awake to everything relating to the time we are living in. Firstly we have to be on time and in time with God's timing! If we are always late and lie about the reason, for example blame traffic instead of just leaving a bit earlier, then we give the enemy legal right to cause us to be "out of Time" and out of sync with God.

" My passion is to see people restored and living out their God given design and potential. I have a vision to see all of Africa ablaze with God's glory! I love the prophetic, quantum physics and am exploring news ways to impact the market place with the Kingdom of God!"

Living in the past or in the future, but not in the present also causes us to be "out of time".

Many people struggle with being truly present in their relationships or even in their work.

It is important to ask the Holy Spirit to reveal, shine the light, on our incorrect relationship with time so that we can be truly present- Sons of the day, shedding daylight on every sphere of our influence. Where do we waste time? How do we steward our time? Are we on time? It is time to repent of any incorrect relationship we may have with time.

- Jacqui Schmidt

"Soaking in His Glory" "Bathed in His Glory"

"This painting depicts praise and worship and the sense of anointing one experiences when we focus on Him, hence the titles "Bathed in His glory "and "Soaking in His Glory".

ACCELERATION THROUGH PROPHETIC DECLARATIONS

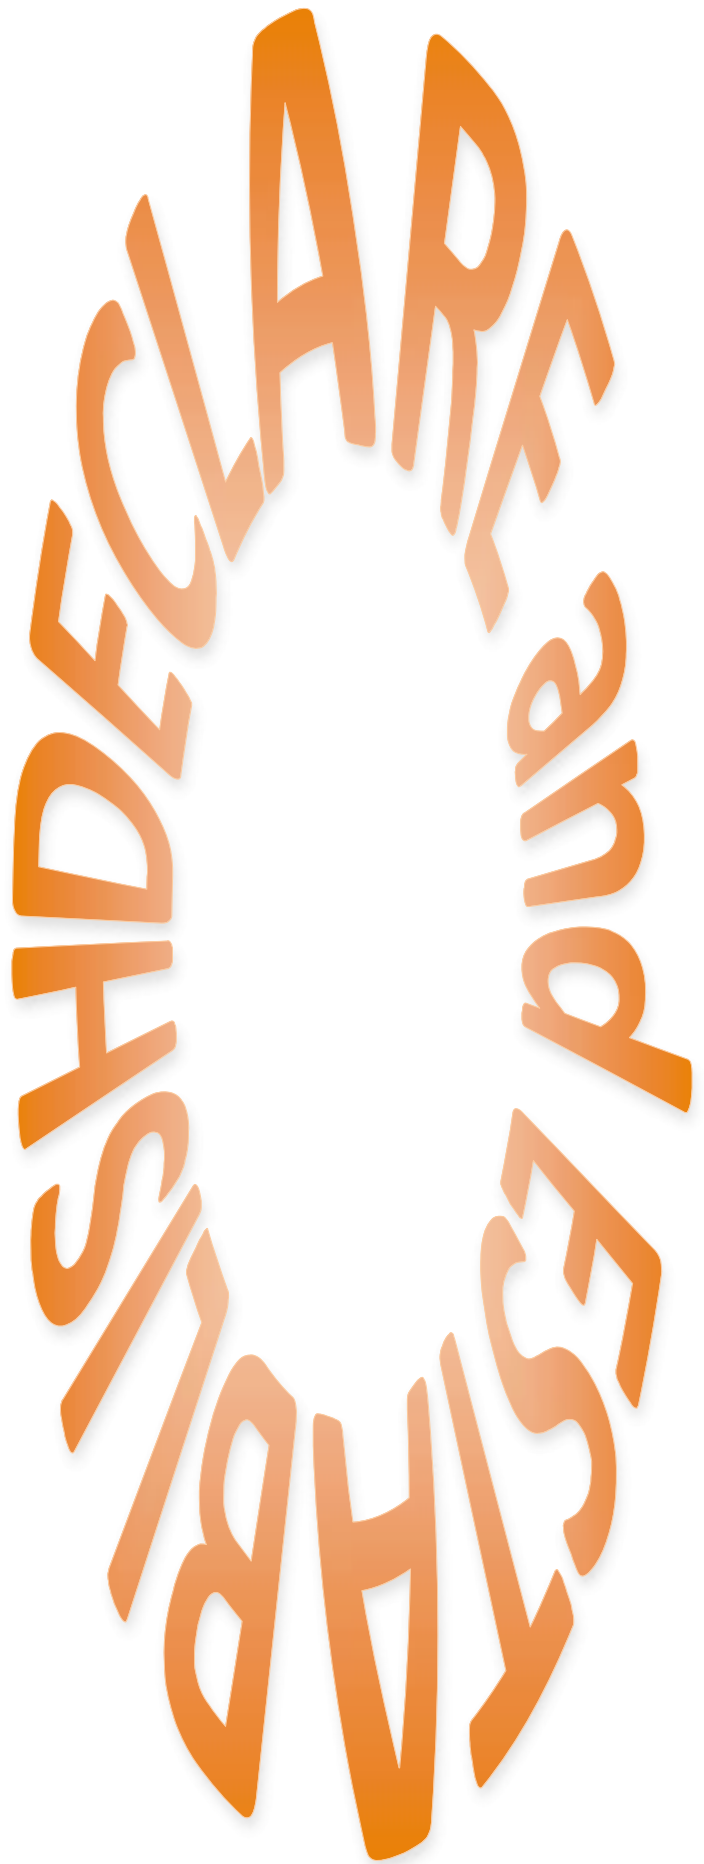

Continued from page 7

Sometimes I get so excited in His Presence that I start shouting out His “Now”- Word, praising Him for the manifestation of it; sometimes singing it back to Him, sometimes weeping because of His awesome power, goodness and grace.

As we worship the Lord in the Holies of holies, experiencing His manifest Presence, He releases His Rhema Word, the “NOW” Word into our spirit man or “He shows us things to come”. In this timeless realm of the glory of God, we come in contact with the power of acceleration. This is where we have to co-operate with Him to pull that Word or vision from the glory realm into the natural realm by DECLARING it over the situations and people that He brings into our consciousness. We will be astounded at the speed at which that Word will manifest when it is coupled with the “NOW FAITH”. Yes, we will SEE the SUBSTANCE in the natural before our eyes as we SEE it by faith in the unseen by the creative anointing on His Word, which we HEARD in the glory realm and speak forth.

As our faith is growing, and we get saturated in His Presence (in worship, prayer, the Word), the Lord is challenging us to believe even for instant change to be brought forth by what we release in the glory according to what we see Him doing and hear Him saying. We are going to see glorious miracles take place in situations which we “enter into” (even by transportation) in the glory realm, becoming true co-workers with Holy Spirit and then hearing about the manifestations of His creative Word-power afterwards. The question is, “Can He trust us to give Him the glory?”

“FITLY JOINT TOGETHER” Elsabe Briers

In this edition there is much emphasis on the VISIONARY aspect of the prophetic stream.

The Lord has been making His will known to man by giving him prophetic Words, visions and dreams. He is disclosing His plans to man in these various ways so that we as a body of believers can war with His Word against the forces of darkness to see His will established in the earth.

By DECLARING His Word into the airways, calling forth those things that are not just as though they were, we co-operate with Him in a creative way to glorify His Name, see His Kingdom come and His will be done as it is in heaven - so on the earth.

I want to encourage every reader to come in agreement with His will and Word for our land and call it forth actively and consistently for His glory!
